Subject: Essendon Airport

Sir

I wish to protest in the strongest possible terms at your government even considering this push to redevelop Essendon Airport.

Yet again, another example of simple minded politicians catering to the wishes of the vocal minority who are all "Johnny come lately's" and want to cash in on the misery of the demise of these aviation related businesses based at Essendon Airport.

So much for government for the people, this style of action will give "Ned Kelly" a good name.
