Dear Ms Pearlman

Hornsby Shire Council Submission – F3 to M7 Corridor Selection Review

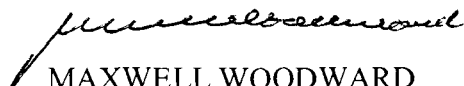

Thank you for the invitation to make a submission to the Independent Review of the F3 to M7 Corridor Selection.

Attached are Hornsby Shire Council's submission and a signed cover sheet.

Hornsby Shire Council welcomes the independent review. Council has a number of concerns regarding the thoroughness of the original investigations, particularly with respect to public transport alternatives, and integrity of the traffic modelling including assumptions made about the road network. In addition it is apparent that the project has been delayed and is unlikely to be completed in 2011 as originally forecast, in which case the project planning horizons originally used require extensive revision given the current rate of road construction and development in western Sydney.

If you require further information regarding Council's submission please contact Council's Manager Traffic and Road Safety, Mr Lawrence Nagy, on 02 9847 6524.

Yours faithfully

MAXWELL WOODWARD
Acting General Manager
