

The Terms of Reference for the Review of the F3 to M7 Corridor Selection are as follows:

Giving due consideration to the information in the *Interim Report – F3 to Sydney Orbital Corridor Review March 2006*, consider and advise on:

- whether the assumptions and data used in the *F3 to Sydney Orbital Link Study 2004* were valid and reasonable at the time of the study;
- whether changes since the report's publication affecting land use and transport flows in Western Sydney would support any significant changes to these projections; and
- whether any significant changes to those projections would alter the conclusions reached in the *F3 to Sydney Orbital Link Study of April 2004*.
