In order to support the automation of second background checks, which occur at the 2 year anniversary of 4 year Maritime Security Identification Cards (MSICs), holders are required by law to notify their MSIC issuing body of any change of name and permanent residential address.

If you are a 4 year MSIC holder you must report these changes to your MSIC issuing body no later than 2 years and 30 days prior to the expiry date of your MSIC.

Penalties may apply if you fail to report.

For further information on these obligations contact your MSIC issuing body or go to: www.infrastructure.gov.au/msic
