Aircraft Piston Engines and Component Overhaul – Performance Dyno Testing

27<sup>th</sup> June 2014

Dear Sir,

I would like to endorse and add my support to the response and comments as submitted by AMROBA to the Aviation Safety Regulation Review.

In particular I strongly support the following recommendations:-  
14,17,18,22,23,24,25,26,30

Yours Sincerely

Andrew Denyer

LAME & Proprietor
