| The following is an indication, for Australian and New Zealand carriers, of the number of services they propose to operate between Australia and New Zealand per week according to their application for timetable approval. These figures may not reflect actual services operated in a given week. There are no restrictions on frequency or capacity for services between Australia and New Zealand under the Single Aviation Market Arrangements. |                  |          |                   |                      |  |
