Dear Jess

Following on from the Government announcement last week regarding the tribunal, you may have seen our media since and understand we have a number of grave concerns.

We will be visiting parliament soon with some truck drivers, and would be grateful if the Deputy Prime Minister would make time to meet the delegation. Preferably some time other than 10.15am-11.45am on Wednesday 11th, or alternatively before 12pm on Thursday 12th December.

Dermot Ryan, the Chief of Staff will be travelling with Tony to Canberra. I have copied him into the email so you have his details.

I am also copying in Colleen Flynn, Tony Sheldon's EA, who manages Tony's diary.

Kind Regards

Hello Michael,

Thanks for taking the time to follow up. I have forwarded this information to Ann Redmond in our office who is responsible for transport security matters. Next Tuesday, Wednesday and Thursday are parliamentary sitting days in Canberra so I don't think Ann will be able to attend but I will leave it for her to liaise directly with you.

Kind regards,

Jess

Good morning Jess,

#### **INVITATION - NEW AVIATION SECURITY AWARENESS SYSTEM**

After speaking with Kate she referred me to you.

HSAP is presenting the new AVSEC-1-ALERT training system in Melbourne next Thursday 13th at Complex Training Academy –RTO from 10am to 2pm for 20 Virgin and TWU key members from around Australia. They are attending this new safety security course that *engages all airport employees – the total workforce*, from landside -the cab rank, the ice-cream vendor to airside employees. Total engagement of the workforce on Airports, no cost to governments, more eyes and ears on the ground able to monitor and report. This new fully integrated methodology will also benefit the coming G20 and be a new initiative for the DPM.

TWU and Pilots Association have endorsed this new Security Awareness Training package.

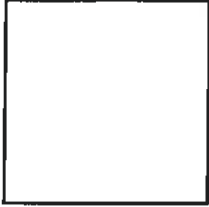

Please see video clip for outline.

Hope to see you or a representative in Melbourne.

Regards.
