Dear Operations Managers

I am writing to you with regard to the Parking Infringement Notices Scheme (PINS).

We recently advised PINS Airports that we are drafting legislation to validate the legal effectiveness of previously issued parking infringement notices and that we will remain in contact over the coming weeks about strengthening the operation of the Scheme. As part of that process I request that you provide the Department with total numbers of landside parking infringement notices issued each year from 2004 until 2010 inclusive.

Kind Regards
PINS Regulation
