Topic: Jervis Bay Territory Road Review

Road Survey Work in the Jervis Bay Territory

Building on our successful partnership with Parks Australia to upgrade Wreck Bay Road, the department is continuing this collaboration to survey and review several key roads across the Jervis Bay Territory.

Over the coming weeks, road engineers and surveyors from Allen Price Pty Ltd will be walking and mapping Boorala Road to Summercloud Bay, residential roads in Wreck Bay Village and Jervis Bay Village and the access track to the Wreck Bay Cemetery.

This work will help assess current road conditions and identify maintenance and upgrade requirements. The information collected will support ongoing discussions with WBACC and the JBT community and future funding proposals.

You may see members of the Allen Price team in the community with road-survey equipment over the coming months.

If you have any questions or concerns about this project, please contact the JBT Operations Team on 02 6136 9000.
