Addendum Number 03

Extension of EATP Program End Date and updates to guidelines and FAQs

We can confirm that funding available for projects under the EATP program has been re-phased to allow for extension of the program end date to 30 June 2024.

There is no change to the amount of funding available per round, this remains at approximately \$15.3 million for projects under each round.

We can confirm that applications under Round One of the EATP Program may seek up to two years grant funding, to 30 June 2024.

Amendment of EATP Program Guidelines

The EATP Program Guidelines have been amended to reflect the above, as follows:-

1. In Section 2 “About the program”, first paragraph:
 - Insert “from 2022-23 to 2023-24 (initially intended to be)” before “2021-22 and 2022-23”; and
2. In Section 2.3 “Grants Program Focus Areas”, in Focus Area #5, delete “July 2023” and insert “30 June 2024”.
3. In Section 3.2 “Grant Period”:
 - In first paragraph, delete “30 June 2023” and insert “30 June 2024”.
 - Delete second paragraph.
4. In Section 7.3 “Timing of grant opportunity processes”:
 - In last row of Table 1, delete “see below”, delete “30 June 2023” and insert “30 June 2024”;
 - Delete paragraph immediately below Table 1.

Updated EATP Program Guidelines

An updated version of the EATP Program Guidelines, reflecting the above changes, is attached.

Updated Frequently Asked Questions (FAQ)

Please note the FAQ document has been updated to reflect the new program end date of 30 June 2024.
