Restart Investment to Sustain and Expand (RISE) Program

COVID-19 is having unprecedented effects on communities in Australia and around the world, including on creative and cultural activity. To support the arts and entertainment sector to reactivate, this program provides finance to assist in the presentation of cultural and creative projects, activities and events, and to build confidence amongst investors, producers and consumers. This includes finance to assist with costs of rescheduling projects impacted by ongoing restrictions caused by outbreaks of COVID-19. This will support employment of artists and workers in the arts and entertainment sector and contribute to rebuilding Australia's economy, as well as enhancing community wellbeing and access to cultural experiences across Australia.

Project Overview

Eligible grant activities

Funding is available to support cultural and creative events or activities that, in the absence of this funding, would be substantially less likely to proceed (due to constrained availability of funding to the applicant as a consequence of COVID-19).

The program will fund high quality projects irrespective of scale in all art forms, including cross-art form projects, with the exception of screen-based activities, film and television production and interactive games. Eligible projects need to align clearly with the program objectives, outcomes and assessment criteria.

Activities must demonstrate that there is a funding need, contribute to job creation, support Australian artists or performers (or their work), provide experiences to audiences, be of a nature that is likely to be popular with Australian audiences and financial viability. Applications that clearly demonstrate and seek direct investment for significant employment opportunities for artists, managers, crew and other parts of the supply chain will be prioritised.

Type of activity

Which of the following types of activities best describes the activity for which you are seeking funding: *

- ☐ cultural and creative programming and promotion
- ☐ a cultural, creative event or activity, including performances, exhibitions, tours, film festivals and online delivery
- ☒ a festival

Accessibility

It is important to us that Australia's high quality arts experiences are accessible to the whole community. One in every five Australians have disability. Many more do not identify but still experience barriers to access. Parents with prams often experience the same access barriers as wheelchair users. Older people with sight or hearing loss often experience the same barriers as people who are Deaf and/or blind/vision impaired.

For tips on how to increase the accessibility of your project or to assist you in thinking about this, visit [Arts Access Australia](#)

Dear Mr Fletcher

Tourism Tasmania supports a portfolio of events in the state to encourage regional visitation, support innovation and to encourage visitors to explore the iconic and uniquely Tasmanian events on offer.

Mona and the MONA FOMA event play a significant role in the state's visitor economy and are important drivers of economic activity in the communities in and around Hobart and Launceston.

Tourism Tasmania is proud to have funded the event from its establishment in 2009 and is working closely with MONA FOMA as it prepares for its Hobart and Launceston events announced for January 2021.

The arts and entertainment industry have been particularly hard hit by the effects of COVID-19 and this will be one of the first significant cultural events to take place as the state eases its restrictions on public gatherings.

The event will provide much needed employment to artists, arts workers and production personnel in Tasmania and will see a welcome return of social and cultural events for audiences across the state.

Mona's submission for the financial support requested through the RISE initiative is welcomed and supported by Tourism Tasmania.

Yours sincerely,

John Fitzgerald
CEO Tourism Tasmania
