Hi, see attached. Two letters, one to respond to any questions/comments re IMCR and a second one notifying of the opening of RCP 3/MBSP... they're designed to be all purpose so could go with minor modification to anyone who raises questions on IMCR and all stakeholders on RCP/MBSP including MPs/Senators, regional stakeholders etc.

The Dept are under the pump getting RCP 3 guidelines finalised so haven't run it back past them. If you could get me any questions/comments by midday tomorrow, I'll run a final version past them as they should be over the Guidelines hump by then.

Cheers
