

The FBI had sex tapes of Democrat mayors sleeping with a Chinese spy and kept them hidden, knew Eric Swalwell was sleeping with a Chinese spy and kept it hidden, had Hunter Biden's laptop and kept that hidden, but leaked a dossier that they knew was **fake** to the New York Times in an effort to take down Trump.

“In fact, you’d be surprised at how much can be avoided if people stop insisting on their personal freedoms. Because insisting on human rights is not only selfish, it’s stupid.”
