

Barkly Regional Deal

Statement of Recommitment

Australian Government

By signing this statement the Commonwealth Government, Northern Territory Government and Barkly Regional Council reaffirm their commitment to the Barkly Regional Deal.

Through this recommitment, all levels of Government agree to continue our partnership. We commit to:

- working together and with the local community
- continue engaging with and seeking input from the local community, business leaders, youth and investors, and
- supporting local Aboriginal leadership.

We acknowledge the work ahead of us and recognise the importance of community involvement and participation.

We acknowledge the importance of traditional owners, their enduring connection to country, and their aspirations for the future and for future generations.

Since the Deal was signed in April 2019 the local community has much to be proud of. We acknowledge all the community has achieved since then and achievements yet to be realised.
