Project Title

Norfolk Island Airport Pavement Repair and Resurfacing Design and Construct Project

Project Description

Norfolk Island Airport is managed by Norfolk Island Regional Council. In 2017/18, it processed 41 medical evacuation flights, 72 general aviation flights, 22 military flights, and 32,941 passengers of which 86 per cent, were visitors to Norfolk Island. The Airport has an asphalt surface approaching ten years of age and an asphalt overlay of all the aircraft pavements is required to maintain this vital economic link to Australia and New Zealand. The work also includes a major airfield lighting replacement, and reconstruction of concrete parking pads. Ancillary works include line marking, grooving, flank regrading and service crossing marking. The works are to be delivered as a Design and Construct contract.

Declaration

Application declaration (with working with children) clause

Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the department will use the information I provide in accordance with the following:

- Australian Government Public Data Policy Statement,
- Commonwealth Grants Rules and Guidelines,
- Program Guidelines, and
- applicable Australian laws.

Accordingly, I understand that the department may share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants and
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities

unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the Program Guidelines may also be shared for a relevant Commonwealth purpose.

The Department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's Board or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

portal.business.gov.au - <https://portal.business.gov.au/Application/ViewApplication?appli...>

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the Department of Industry, Science, Energy and Resources (the department) may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standard and Commonwealth fraud control framework and for management purposes and/or terminating any grant agreement between the Commonwealth and the recipient including recovering funds already paid.

I understand that I am responsible for ensuring that I have met relevant state or territory legislation obligations related to working with children, and that any person that has direct, unsupervised contact with children as part of a project under this grant opportunity, has undertaken and passed, a working with children check, if required under relevant state or territory legislation. I am also responsible for assessing the suitability of people I engage in this project to ensure children are kept safe.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I declare that I am authorised to complete this form and acknowledge that by including my name in this application I am deemed to have signed this application.

I approve the information in this application being communicated to the department in electronic form.

By checking this box I agree to all of the above declarations and confirm all of the above statements to be true
