Subject: RE: SPT171819NIRC Tender Evaluation Report and Matrix for REVIEW

Hi Peter,

I am equally confused about the term for this evaluation:

Contract Duration

It is anticipated that this contract will run for a period of 12 months from 1 February 2019 to 31 January 2020.

Can you please clarify why these dates are in the evaluation document that will be presented to Council.

I agree with the scoring and discussion by the panel on 16 January.

Are you suggesting that we present the matrix and the minor non-conformances by Boral in the council report? I suggest that seeing that they have provided answers, this would not be necessary – however I am open to suggestions.

Kind regards
