**Subject:** Re: SPT171819NIRC Tender Evaluation Report and Matrix for REVIEW

Hi Peter,

The documents provided reflect our deliberations of the tender evaluation meeting conducted on Wednesday 16 January at Norfolk Island Airport.

I do wonder whether this was a 'single source' tender or a 'single stage' tender. I would associate a 'single source' process with a direct negotiation with just one preferred company (eg. How Reg Pro were engaged). Which is not what was done.

Cheers,

Greg
