First Nations Community Wi-Fi Program – Funded projects

Applicant	Project name	Technology type	Location (AGIL code)	State / Territory	Project description	Grant amount (GST inclusive)
OneWiFi & Infrastructure	Bawinanga Homelands Community Wi-Fi Program	Satellite (LEO)	Bolkdjam (BORL)	NT	Free public broadband Wi-Fi internet services in 6 Bawinanga Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$164,717
OneWiFi & Infrastructure	Bawinanga Homelands Community Wi-Fi Program	Satellite (LEO)	Buluhkaduru (BULU)	NT	Free public broadband Wi-Fi internet services in 6 Bawinanga Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$164,717
OneWiFi & Infrastructure	Bawinanga Homelands Community Wi-Fi Program	Satellite (LEO)	Gochin Jiny Jirra (GOCH)	NT	Free public broadband Wi-Fi internet services in 6 Bawinanga Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$164,717
OneWiFi & Infrastructure	Bawinanga Homelands Community Wi-Fi Program	Satellite (LEO)	Ji-Bena (DJEB)	NT	Free public broadband Wi-Fi internet services in 6 Bawinanga Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$164,717
OneWiFi & Infrastructure	Bawinanga Homelands Community Wi-Fi Program	Satellite (LEO)	Ji-Malawa (DJIM)	NT	Free public broadband Wi-Fi internet services in 6 Bawinanga Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$164,717

Applicant	Project name	Technology type	Location (AGIL code)	State / Territory	Project description	Grant amount (GST inclusive)
OneWiFi & Infrastructure	Bawinanga Homelands Community Wi-Fi Program	Satellite (LEO)	Yilan (YILA)	NT	Free public broadband Wi-Fi internet services in 6 Bawinanga Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$164,717
Easyweb Digital	MacDonnell Homelands Community Wi-Fi	Satellite (GEO)	Blackwater (BLAW)	NT	Free Community-wide Wi-Fi to 9 communities in MacDonnell Homelands, servicing an estimated 37 premises (159 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$240,937
Easyweb Digital	MacDonnell Homelands Community Wi-Fi	Satellite (GEO)	Ngankiritja (NGKR)	NT	Free Community-wide Wi-Fi to 9 communities in MacDonnell Homelands, servicing an estimated 37 premises (159 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$235,937
Easyweb Digital	MacDonnell Homelands Community Wi-Fi	Satellite (GEO)	Oak Valley (OAKA)	NT	Free Community-wide Wi-Fi to 9 communities in MacDonnell Homelands, servicing an estimated 37 premises (159 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$235,937
Easyweb Digital	MacDonnell Homelands Community Wi-Fi	Satellite (GEO)	Pwerte Marnte Marnte (JOHN)	NT	Free Community-wide Wi-Fi to 9 communities in MacDonnell Homelands, servicing an estimated 37 premises (159 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$235,937
Easyweb Digital	MacDonnell Homelands Community Wi-Fi	Satellite (GEO)	Utily (AUTI)	NT	Free Community-wide Wi-Fi to 9 communities in MacDonnell Homelands, servicing an estimated 37 premises (159 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$240,937

Applicant	Project name	Technology type	Location (AGIL code)	State / Territory	Project description	Grant amount (GST inclusive)
Easyweb Digital	MacDonnell Homelands Community Wi-Fi	Satellite (GEO)	Warren Creek (WACR)	NT	Free Community-wide Wi-Fi to 9 communities in MacDonnell Homelands, servicing an estimated 37 premises (159 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$235,937
Easyweb Digital	MacDonnell Homelands Community Wi-Fi	Satellite (GEO)	Warumpi (THRE)	NT	Free Community-wide Wi-Fi to 9 communities in MacDonnell Homelands, servicing an estimated 37 premises (159 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$240,937
Easyweb Digital	MacDonnell Homelands Community Wi-Fi	Satellite (GEO)	West Waterhouse (WEWH)	NT	Free Community-wide Wi-Fi to 9 communities in MacDonnell Homelands, servicing an estimated 37 premises (159 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$235,937
Easyweb Digital	MacDonnell Homelands Community Wi-Fi	Satellite (GEO)	5 Mile Bore (SMBO)	NT	Free Community-wide Wi-Fi to 9 communities in MacDonnell Homelands, servicing an estimated 37 premises (159 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$235,937
Easyweb Digital	Utopia Homelands Community Wi-Fi	Satellite (GEO)	Atheley (ATHE)	NT	Free Community-wide Wi-Fi to 10 communities in Utopia Homelands, servicing an estimated 66 premises (436 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$229,346
Easyweb Digital	Utopia Homelands Community Wi-Fi	Satellite (GEO)	Atnarara (Soakage Bore) (SOAK)	NT	Free Community-wide Wi-Fi to 10 communities in Utopia Homelands, servicing an estimated 66 premises (436 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$234,346

Applicant	Project name	Technology type	Location (AGIL code)	State / Territory	Project description	Grant amount (GST inclusive)
Easyweb Digital	Utopia Homelands Community Wi-Fi	Satellite (GEO)	Atneltyey (Boundary Bore) (ATNE)	NT	Free Community-wide Wi-Fi to 10 communities in Utopia Homelands, servicing an estimated 66 premises (436 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$229,346
Easyweb Digital	Utopia Homelands Community Wi-Fi	Satellite (GEO)	Atnwengerrpe (AYNW)	NT	Free Community-wide Wi-Fi to 10 communities in Utopia Homelands, servicing an estimated 66 premises (436 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$229,346
Easyweb Digital	Utopia Homelands Community Wi-Fi	Satellite (GEO)	Camel Camp (CAMC)	NT	Free Community-wide Wi-Fi to 10 communities in Utopia Homelands, servicing an estimated 66 premises (436 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$229,346
Easyweb Digital	Utopia Homelands Community Wi-Fi	Satellite (GEO)	Indaringinya (INDA)	NT	Free Community-wide Wi-Fi to 10 communities in Utopia Homelands, servicing an estimated 66 premises (436 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$229,346
Easyweb Digital	Utopia Homelands Community Wi-Fi	Satellite (GEO)	Inkawenyerre (Rocket Range) (INKA)	NT	Free Community-wide Wi-Fi to 10 communities in Utopia Homelands, servicing an estimated 66 premises (436 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$229,346
Easyweb Digital	Utopia Homelands Community Wi-Fi	Satellite (GEO)	Inkwelaye (Kurrajong) (INKW)	NT	Free Community-wide Wi-Fi to 10 communities in Utopia Homelands, servicing an estimated 66 premises (436 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$234,346

Applicant	Project name	Technology type	Location (AGIL code)	State / Territory	Project description	Grant amount (GST inclusive)
Easyweb Digital	Utopia Homelands Community Wi-Fi	Satellite (GEO)	Iylentye (Mosquito Bore) (ILYP)	NT	Free Community-wide Wi-Fi to 10 communities in Utopia Homelands, servicing an estimated 66 premises (436 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$229,346
Easyweb Digital	Utopia Homelands Community Wi-Fi	Satellite (GEO)	Pungalindum (PUNG)	NT	Free Community-wide Wi-Fi to 10 communities in Utopia Homelands, servicing an estimated 66 premises (436 people). Wi-Fi calling supported, customisable content filtering, First Nations Service Desk lead by Community Liaison.	\$229,346
OneWiFi & Infrastructure	YMD Outstations Community Wi-Fi Program	Satellite (LEO)	Boomerang Lagoon (BOOM)	NT	Free public broadband Wi-Fi internet services in 5 YMD Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$203,390
OneWiFi & Infrastructure	YMD Outstations Community Wi-Fi Program	Satellite (LEO)	Ganiyarrang (GANY)	NT	Free public broadband Wi-Fi internet services in 5 YMD Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$203,390
OneWiFi & Infrastructure	YMD Outstations Community Wi-Fi Program	Satellite (LEO)	Namaliwirri (NAML)	NT	Free public broadband Wi-Fi internet services in 5 YMD Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$203,389
OneWiFi & Infrastructure	YMD Outstations Community Wi-Fi Program	Satellite (LEO)	Nulawan (NULA)	NT	Free public broadband Wi-Fi internet services in 5 YMD Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$203,389
OneWiFi & Infrastructure	YMD Outstations Community Wi-Fi Program	Satellite (LEO)	Wanmurri (WANR)	NT	Free public broadband Wi-Fi internet services in 5 YMD Outstation communities, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$203,389

Applicant	Project name	Technology type	Location (AGIL code)	State / Territory	Project description	Grant amount (GST inclusive)
OneWiFi & Infrastructure	Angurugu Community Wi-Fi Program	Satellite (LEO)	Angurugu (ANGU)	NT	Free public broadband Wi-Fi internet services in Angurugu, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$932,252
OneWiFi & Infrastructure	Gunbalanya Community Wi-Fi Program	Satellite (LEO)	Gunbalanya (KUNB)	NT	Free public broadband Wi-Fi internet services in Gunbalanya, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$619,325
OneWiFi & Infrastructure	Milingimbi Community Wi-Fi Program	Satellite (LEO)	Milingimbi (MILG)	NT	Free public broadband Wi-Fi internet services in Milingimbi, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$284,279
OneWiFi & Infrastructure	Ngukurr Community Wi-Fi Program	Satellite (LEO)	Ngukurr (NGUK)	NT	Free public broadband Wi-Fi internet services in Ngukurr, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$743,357
Pivotel Satellite Pty. Ltd	First Nations Community Wi-Fi Program for Ti Tree	Satellite (LEO) and (GEO)	Ti Tree (NTUR)	NT	Voice (Wi-Fi calling) & residential broadband data (free Wi-Fi internet connectivity). Wi-Fi sectorised access point (LEOSat & GEOSat backhaul) Customisable content filtering and time-base access restrictions. Appointment of local community champion for oversight and network stewardship.	\$901,900
OneWiFi & Infrastructure	Wurrumiyanga Community Wi-Fi Program	Satellite (LEO)	Wurrumiyanga (NGUI)	NT	Free public broadband Wi-Fi internet services in Wurrumiyanga, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$784,927
Pivotel Satellite Pty. Ltd	First Nations Community Wi-Fi Program for Yuendumu	Satellite (LEO) and (GEO)	Yuendumu (YUEN)	NT	Voice (Wi-Fi calling) & residential broadband data (free Wi-Fi internet connectivity). Wi-Fi sectorised access point (LEOSat & GEOSat backhaul) Customisable content filtering and time-base access restrictions. Appointment of local community champion for oversight and network stewardship.	\$901,900

Applicant	Project name	Technology type	Location (AGIL code)	State / Territory	Project description	Grant amount (GST inclusive)
OneWiFi & Infrastructure	Mapoon Community Wi-Fi Program	Satellite (LEO)	Mapoon (MAPO)	QLD	Free public broadband Wi-Fi internet services in Mapoon, daily caps (eg. 500MB – 2GB), free Wi-Fi calling, customisable content filtering, 24/7 helpdesk support.	\$564,637
Vocus Pty Ltd	Bridging the Gap: First Nations Community Wi-Fi Project Lockhart River	Satellite (LEO)	Lockhart River (LOCK)	QLD	Free public broadband Wi-Fi internet services in community spaces of Lockhart River, offering no data cap or additional usage charges, free Wi-Fi calling, customisable content filtering, access control mechanisms and community training and support (onboarding and technical assistance).	\$718,030
Vocus Pty Ltd	Bridging the Gap: First Nations Community Wi-Fi Project Napranum	Satellite (LEO)	Napranum (NAPR)	QLD	Free public broadband Wi-Fi internet services in community spaces of Napranum, offering no data cap or additional usage charges, free Wi-Fi calling, customisable content filtering, access control mechanisms and community training and support (onboarding and technical assistance).	\$328,770
Australian Private Networks (APN)	First Nations Community Wi-Fi Grant – Umoona	Starlink LEO (SKM backup)	Umoona (UMOO)	SA	Free public broadband Wi-Fi internet services in community spaces of Umoona offering no data cap or additional usage charges, free Wi-Fi calling, customisable Class 1 Family Friendly content filtering and training, and on-site education through the employment of a local Community Liaison Officer.	\$1,071,040
Platex IT Solutions	Connected Country: Public Wi-Fi for First Nations Communities – Cape Barren Community	Starlink LEO (dual links)	Cape Barren Community (CAPC)	Tas	Free public broadband Wi-Fi internet services in Cape Barren Community, offering no data cap or additional usage charges, Wi-Fi calling, category-based content filtering, access control mechanisms and community training and support (onboarding and technical assistance).	\$380,000

Applicant	Project name	Technology type	Location (AGIL code)	State / Territory	Project description	Grant amount (GST inclusive)
Platex IT Solutions	Connected Country: Public Wi-Fi for First Nations Communities – Clarke Island	Starlink LEO	Clarke Island (CLRK)	Tas	Free public broadband Wi-Fi internet services in Clarke Island, offering no data cap or additional usage charges, Wi-Fi calling, category-based content filtering, access control mechanisms and community training and support (onboarding and technical assistance).	\$92,319
Australian Private Networks (APN)	First Nations Community Wi-Fi Grant – Beagle Bay	Starlink LEO (SKM backup)	Beagle Bay (BEAG)	WA	Free public broadband Wi-Fi internet services in community spaces of Djugerari, Voice over internet Protocol (VOIP) Telephone Services in premises, offering no data cap or additional usage charges, free Wi-Fi calling, customisable Class 1 Family Friendly content filtering and training, and on-site education through the employment of a local Community Liaison Officer.	\$834,960
Australian Private Networks (APN)	First Nations Community Wi-Fi Grant – Djugerari	Starlink LEO (SKM backup)	Djugerari (DJUG)	WA	Free public broadband Wi-Fi internet services in community spaces of Djugerari, Voice over internet Protocol (VOIP) Telephone Services in premises, offering no data cap or additional usage charges, free Wi-Fi calling, customisable Class 1 Family Friendly content filtering and training, and on-site education through the employment of a local Community Liaison Officer.	\$459,510
Australian Private Networks (APN)	First Nations Community Wi-Fi Grant – Looma	Starlink LEO (SKM backup)	Looma (LOOM)	WA	Free public broadband Wi-Fi internet services in community spaces of Looma, Voice over internet Protocol (VOIP) Telephone Services in premises, offering no data cap or additional usage charges, free Wi-Fi calling, customisable Class 1 Family Friendly content filtering and training, and on-site education through the employment of a local Community Liaison Officer.	\$798,260
Easyweb Digital	Halls Creek Community Wi-Fi Mesh	Dual satellite (Starlink LEO/SKM)	Halls Creek (YARD, DINN, YUGG)	WA	Voice (Wi-Fi calling) & residential broadband data (free Wi-Fi internet connectivity) via Community Wi-Fi Mesh to Halls Creek. Outdoor Wi-Fi coverage for end user client access. Starlink and SKM load balanced backhaul.	\$904,746

OFFICIAL

Applicant	Project name	Technology type	Location (AGIL code)	State / Territory	Project description	Grant amount (GST inclusive)
Australian Private Networks (APN)	First Nations Community Wi-Fi Grant – Pandanus Park	Starlink LEO (SKM backup)	Pandanus Park (PAND)	WA	Free public broadband Wi-Fi internet services in community spaces of Pandanus Park, Voice over internet Protocol (VOIP) Telephone Services in premises, offering no data cap or additional usage charges, free Wi-Fi calling, customisable Class 1 Family Friendly content filtering and training, and on-site education through the employment of a local Community Liaison Officer.	\$536,390
Australian Private Networks (APN)	First Nations Community Wi-Fi Grant – Pia Wadjarri	Starlink LEO (SKM backup)	Pia Wadjarri (PIAC)	WA	Free public broadband Wi-Fi internet services in community spaces of Pia Wadjari, Voice over internet Protocol (VOIP) Telephone Services in premises, offering no data cap or additional usage charges, free Wi-Fi calling, customisable Class 1 Family Friendly content filtering and training, and on-site education through the employment of a local Community Liaison Officer.	\$536,530
Australian Private Networks (APN)	First Nations Community Wi-Fi Grant – Wangkatjungka	Starlink LEO (SKM backup)	Wangkatjungka (WANG)	WA	Free public broadband Wi-Fi internet services in community spaces of Djugerari, Voice over internet Protocol (VOIP) Telephone Services in premises, offering no data cap or additional usage charges, free Wi-Fi calling, customisable Class 1 Family Friendly content filtering and training, and on-site education through the employment of a local Community Liaison Officer.	\$705,510
Australian Private Networks (APN)	First Nations Community Wi-Fi Grant – Warburton	Starlink LEO (SKM backup)	Warburton (WARB)	WA	Free public broadband Wi-Fi internet services in community spaces of Warburton, Voice over internet Protocol (VOIP) Telephone Services in premises, offering no data cap or additional usage charges, free Wi-Fi calling, customisable Class 1 Family Friendly content filtering, and training and on-site education through the employment of a local Community Liaison Officer.	\$1,058,740
Australian Private Networks (APN)	First Nations Community Wi-Fi Grant – Yakanarra	Starlink LEO (SKM backup)	Yakanarra (YAKA)	WA	Free public broadband Wi-Fi internet services in community spaces of Yakanarra, Voice over internet Protocol (VOIP) Telephone Services in premises, offering no data cap or additional usage charges, free Wi-Fi calling, customisable Class 1 Family Friendly content filtering and training, and on-site education through the employment of a local Community Liaison Officer.	\$599,960

Applicant	Project name	Technology type	Location (AGIL code)	State / Territory	Project description	Grant amount (GST inclusive)
Australian Private Networks (APN)	First Nations Community Wi-Fi Grant – Yungngora	Starlink LEO (SKM backup)	Yungngora (YUNG)	WA	Free public broadband Wi-Fi internet services in community spaces of Yungngora, Voice over internet Protocol (VOIP) Telephone Services, in premises, offering no data cap or additional usage charges, free Wi-Fi calling, customisable Class 1 Family Friendly content filtering and training, and on-site education through the employment of a local Community Liaison Officer.	\$800,520
