I would like to thank my fellow Taskforce members - Mr Paddy Crumlin, Ms Angela Gillham, Dr Sarah Ryan, and Major-General Jason Walk, for their considered advice and collaboration throughout the Taskforce process. I also give my thanks to officials from your Department for their valuable assistance in this effort. The Department has gone over and beyond to assist the Taskforce in submitting this report in the short timeframe available. Lastly, the Taskforce members have all indicated a willingness to contribute to the next phase of the establishment of the strategic fleet, should the government so desire.

I trust the advice and recommendations presented in this report assist the Government in establishing the strategic fleet and I am happy to discuss any aspects of the report with you.

Yours sincerely
