Dear Ms Jane Stoud

I am writing to you regarding the Australian Government's 2022 election commitment priorities. Your organisation's Gerringong Surf Lifesaving Club New Clubhouse project has been identified as having received a 2022 election commitment.

I am pleased to advise that the Department of Infrastructure, Transport, Regional Development, Communications and the Arts (the Department) has been tasked with assessing your project under a new election commitment program, which will be focused on delivering community infrastructure for local communities with an emphasis on enhanced integrity and transparency.

To enable us to progress the government's commitment we need some preliminary details about your project to enable us to commence program administration. This will require you to provide information on your organisation and project, such as the nature, cost, timing and other funding for your project.

Please complete the attached Desktop Review template and return it with any relevant supporting documentation to regional_grants@infrastructure.gov.au within two weeks of today's date.

I strongly recommend Kiama Municipal Council not enter into financial commitments or begin construction work on the project until you have executed a funding agreement with the Department.

If you have any queries please contact the Department via the above email address.

Yours sincerely

Jane Hunt

Hello s22(1)(a)
(ii)

s47F from Kiama Council here, the timing of your call was extraordinary, I was literally searching for information for the desktop review you have requested. I have tried to call you back several times but I cannot leave a message so I thought best to email you and perhaps you can call me back when convenient.

I note that all of the documentation I can find in our system regarding this project was prior to my placement here so I have had to do some research into this project to familiarise myself.

Unfortunately, Kiama Council is not the applicant for this project, we are the land owners.

I have attached for you the DA form which lists the applicant as MMJ Town with their contact details. I believe that MMJ Town would be the applicant on behalf of Gerringong Surf Life Saving Club.

Can you please confirm that this is the information you need to continue with this request?

Thank you s22(1)

To: The Hon Catherine King MP, Minister for Infrastructure, Transport, Regional Development and Local Government (for decision)

Subject: Your 2022 Election Commitments – Desktop Review Results

Critical Date: Routine

Recommendations:

1. That you **agree** to the department's suggested mitigations for selected projects at **Attachment A**.
See connection A Hachant Agreed / Not Agreed
2. That you **note** the outcomes of the department's Desktop Review of your 2022 Government community infrastructure election commitments at **Attachments B and C**.
Noted / Please Discuss

The Hon Catherine King MP

Date: *9.2.23*

Comments:

Key Points:

1. The Government's election commitments are to be delivered via two programs: the Investing in Our Communities Program (IiOC) and Priority Community Infrastructure Program (PCIP). All projects in both programs will undergo a formal value for money assessment against specific criteria published in Grant Opportunity Guidelines consistent with the CGRGs and PGPA Act. ✓
2. In line with the Government's commitment to transparency and integrity in decision-making, you asked the department to conduct a merits review of your 2022 Australian Government community infrastructure election commitments that will be delivered within the PCIP. ✓
3. This review took the form of a Desktop Review (DTR) based on information provided by respective proponents. The DTR has considered organisation and project eligibility, co-funding arrangements and the suitability of financial arrangements in place to sustain the grant period (since grant payments are generally made in arrears). ✓

Each section of the review was scored against an assessment framework, to ensure consistency and transparency in approach. A summary of the findings and process of the DTR can be found at **Attachments B and C**. ✓

s22(1)(a)(ii)

5. The findings of the DTR also indicated the majority of projects appear to easily fit within the current parameters of the PCIP and had positive responses in the financial viability section, with a score of 112 and over.

s22(1)(a)(ii)

s22(1)(a)(ii)

8. The department will work with your office regarding the finalisation and approval of guidelines of the LiOC and PCIP, which are being socialised with central agencies to assess risk and need for legislative amendment in Schedule 1AB of the Financial Framework (Supplementary Powers) Regulations 1997.
9. Projects of significant high dollar value or have significant stakeholder complexities, such as First Nations cultural considerations, will be delivered under PCIP through a separate stream which will be reflected in the proposed PCIP guidelines.

Sensitivities:

10. Proponents have been advised that completion of the DTR does not guarantee projects will be funded.

Financial impacts:

11. Nil
