EIAT 2022 Federal Election Statement

After some discussion, and noting reasoning for chosen wording remains as documented in Board meeting of 7 June 2022, the statement was endorsed by the Board as follows:

“Taskforce agencies did not identify any foreign interference, or any other interference, that compromised the delivery of the 2022 Federal Election and would undermine the confidence of the Australian people in the results of the election.”

NO. DESCRIPTION

Mr Pope noted that the statement may be published in the week of 18 July 2022. The Taskforce and Board will be updated regarding the confirmed timing and publication of the statement.
