Project title

Sisters Retreat Area Upgrade

Brief project description for publication

Pillar's of guidance are seeking funding in order to install a ramp to allow their community centre to become more accessible to people with disabilities an to create a dedicated space for women accessing their services. This will encourage community participation and provide social benefit to the Bruce electorate community by creating accessible safe spaces.

Project objectives

Select one or more of the objectives relevant to the nominated project.

support the dignity of persons (including children) with disabilities by enhancing their access to public infrastructure, address gender inequality or discrimination in access to public infrastructure or sport

Project activities

Select one or more of the activities relevant to the nominated project.

new or upgrades to disability access and or amenities in public buildings or facilities, provision of women's facilities at sporting grounds/buildings

Nominated Project location

Project site 1

9-11 Green St
DOVETON VIC 3177
Australia

Estimated % of project value expected to be undertaken at site

Electorate

BRUCE

Reason for your nomination

Briefly provide reasons for nominating this project. Outline how it is consistent with the program objectives and outcomes outlined in the grant opportunity guidelines.

This project will improve local community participation by making the applicant's facility more accessible to people with disabilities and women, increasing their opportunity to attend the centre and communicate with the broader local community. This in turn will contribute to the viability of the community as more people will have the opportunity to gather and seek support.

Project title

Media Equipment for TAHA Centre

Brief project description for publication

The Taha Centre intend to purchase high quality camera and audio equipment, and software programs in order to allow them to improve their capacity to engage with the local community through electronic communication. This will improve the accessibility of the centre, with people already engaged with the organisation able to access their services in various ways, and a new way of getting involved open to more members of the community, therefore providing social benefits through increased access to their services.

Project objectives

Select one or more of the objectives relevant to the nominated project.

enable or foster the use of electronic communications

Project activities

Select one or more of the activities relevant to the nominated project.

purchase and/or installation of audio-visual equipment that deliver social benefits to your community, purchase and/or installation of ICT equipment that deliver social benefits to your community

Nominated Project location

BRUCE

Reason for your nomination

Briefly provide reasons for nominating this project. Outline how it is consistent with the program objectives and outcomes outlined in the grant opportunity guidelines.

This program will improve community participation by enabling the centre new and improved ways of communicating with the local community. This will mean that people who might be limited by the need to physically attend their services are able to access them through their improved ICT systems. This will in turn ensure the community is viable, with multiple ways to connect with other members of the electorate.

Chairs and Website to improve & increase Community Participation

Brief project description for publication

The organisation are seeking funding in order to improve their facility and facility's outreach. They plan to use any potential funding to purchase chairs for classrooms that will directly benefit children and to establish a new website to increase their accessibility to the community, notably newly arrive immigrants and people with a disability. This will increase the value both children and newly arrive immigrants receive from their programs and deliver significant social benefit to the electorate community.

Project objectives

Select one or more of the objectives relevant to the nominated project.

support the participation and settlement of newly arrived (i.e. within the last 5 years) immigrants who are not citizens, support the dignity of persons (including children) with disabilities by enhancing their access to public infrastructure, provide benefits to a specific cohort(s) of students

Project activities

Select one or more of the activities relevant to the nominated project.

establish new or update to a website and/or social media presence to support newly arrived immigrants who are not citizens,
purchase/establish new or update to a website/social media presence

Safer and more engaging children's playground

Brief project description for publication

Wellsprings provide important programs for newly arrived mothers, their children and women to Australia. They are seeking funding in order to upgrade the playground and provide a safe and engaging place for the children of mothers attending their programs and classes to play. By providing a space for children that is safe and close to the programs they offer they are ensuring their mothers can continue to participate and become more connected to the electorate community.

Project title

Employment and Career Counselling for New Arrival Youth and Women

Brief project description for publication

Through the purchase of new ICT equipment and software the program will allow for targeted assistance to newly arrived young people and women to Australia in regards to employment and career options. This will provide significant social benefit by helping these newly arrived people to upskill and enter the Australian workforce as quickly and confidently as possible.

Project objectives

Select one or more of the objectives relevant to the nominated project.

support the participation and settlement of newly arrived (i.e. within the last 5 years) immigrants who are not citizens

Project activities

Select one or more of the activities relevant to the nominated project.

purchase of customer relationship management (CRM) systems and/or software that deliver social benefits to your community, purchase and/or installation of ICT equipment that deliver social benefits to your community

Nominated Project location

Project site 1

BRUCE

Reason for your nomination

Briefly provide reasons for nominating this project. Outline how it is consistent with the program objectives and outcomes outlined in the grant opportunity guidelines.

This project will encourage newly arrived residents, specifically young people and women to enter the Australian workforce, and importantly give them the confidence to do so. With this, they will participate in the local community and the community will be viable with more people in sustainable work they enjoy.

Project title

Pathway to Integration

Brief project description for publication

The program would enable the purchase of ICT equipment that would be used in the support of newly arrived residents in the local community. The equipment will foster the delivery of cultural orientation workshops and similar programs that will benefit the electorate community through providing accessible information and assistance to newly arrived people as they face the challenges associated with settling in a new country.

Project objectives

Select one or more of the objectives relevant to the nominated project.

support the participation and settlement of newly arrived (i.e. within the last 5 years) immigrants who are not citizens

Project title and description

Project title

Breastfeeding Room and Female-Friendly Toilet Facilities

Brief project description for publication

The club are seeking funding in order to convert an existing room into a dedicated breastfeeding room and redevelop their toilet facilities to better cater to women. These important upgrades will ensure the club is more accessible to women and mothers and ensure they are able to participate in the clubs activities and feel supported in their participation. This delivers significant social benefit to mothers and women and their families in the electorate.

Project objectives

Select one or more of the objectives relevant to the nominated project.

address gender inequality or discrimination in access to public infrastructure or sport

Project activities

Select one or more of the activities relevant to the nominated project.

provision of women's facilities at sporting grounds/buildings, construction of or upgrade to parent rooms at sporting grounds/buildings and or public spaces, construction of or upgrade to breastfeeding rooms at sporting grounds/buildings and or public spaces

Play Area Upgrade

Brief project description for publication

This project intends to provide a child-friendly and safe outdoor experience for children through an upgrade to their external play areas and the provision of a child-friendly space. Access to play areas such as these are crucial to the development of young children and will provide social benefit to the children who deliver childhood education to the local ethnically diverse community.

Project objectives

Select one or more of the objectives relevant to the nominated project.

support the participation and settlement of newly arrived (i.e. within the last 5 years) immigrants who are not citizens, provide benefits to a specific cohort(s) of students

Project title and description

Project title

Development of Female-Friendly Amenities at Lois Twohig Reserve

Brief project description for publication

This project intends to update the female amenities at the club in order to cater for the growing amount of women joining the club and using the facilities. This will provide social benefits by creating accessible and safe space for women and encourage them to join the club.

Project objectives

Select one or more of the objectives relevant to the nominated project.

address gender inequality or discrimination in access to public infrastructure or sport

Project activities

Select one or more of the activities relevant to the nominated project.

provision of women's facilities at sporting grounds/buildings

Nominated Project location

Electorate

BRUCE

Reason for your nomination

Briefly provide reasons for nominating this project. Outline how it is consistent with the program objectives and outcomes outlined in the grant opportunity guidelines.

This project will encourage community participation by allowing for a specific space for women and young girls to feel safe in a private space specifically for them. This will mean they are more likely to get involved and will support the viability of the club and the community more broadly.

Project title

Updating the association's website

Brief project description for publication

The project intends to update their website to ensure that it remains relevant to the diverse and shifting needs of the people they help, most notably newly arrived residents. An updated website will mean their services are more easily understood and accessible which will deliver social good to the electorate community.

Project objectives

Select one or more of the objectives relevant to the nominated project.

support the participation and settlement of newly arrived (i.e. within the last 5 years) immigrants who are not citizens

Project activities

Select one or more of the activities relevant to the nominated project.

establish new or update to a website and/or social media presence to support newly arrived immigrants who are not citizens,
purchase/establish new or update to a website/social media presence

Nominated Project location

BRUCE

Reason for your nomination

Briefly provide reasons for nominating this project. Outline how it is consistent with the program objectives and outcomes outlined in the grant opportunity guidelines.

This project will ensure that important services are easily understood through a new website, especially by providing information that is not in English. This increased accessibility of information will increase community participation and ensure a viable community who are able to be updated through the website.

Component

Stronger Communities Programme Round 8 - Bruce - Nomination

Released under the FOI Act 1982 by the Department of Infrastructure, Transport, Regional Development, Sport and the Arts

Eligibility

Have you identified this nominee through a community consultation process?

Yes

Does the nominee have an ABN?

The nominee must have an ABN to be eligible.

Yes

Select which type of entity the nominee is:

A local governing body as defined in the Local Government (*Financial Assistance*) Act 1995 (*Cth*). (Note: examples can include local councils or a body whose principal function is to provide a particular service, such as the supply of electricity or water). This limits your maximum grant amount to 50% of eligible project costs.

For local governing bodies, total Commonwealth grant percentage cannot exceed 50%. You can fund your share of eligible project costs from any source including from state and local government. Your matching funds must be a cash contribution.

Project information

Project title and description

Provide a project title.

Upgrade to Audio-Visual Facilities for a Diverse Community

Provide a brief project description.

Ensure the project description focuses on the nominee project's key activities and outcomes. Outline how the project will provide social benefits within your electorate community.

This project will involve the purchase and installation of new IT equipment which will increase resources available to the group to provide various services to the community through the multiple different groups that use the facility. New IT equipment will mean more people from the community are able to participate together.

Nominated project location

A project site address must be a street address. Do not provide a postal address, institution or building name.

Electorate

Your electorate must be entered in all capital letters.

BRUCE

Reason for your nomination

Briefly provide reasons for nominating this project. Outline how it is consistent with the program objectives and outcomes outlined in the grant opportunity guidelines.

This project will meet the program;s objectives as it will deliver significant social benefits by allowing the community to access new and improved facilities, meaning more people are able to be together at the same time. This will deliver important social connections and ensure the local community is vibrant and viable.

Community consultation process

Have you undertaken community consultation to identify your projects?

Yes

What type of community consultation did you undertake?

Expression of Interest

Conflict of Interest and Probity

Have you, your electorate staff and consultation committee read and understood your conflict of interest and probity requirements?

Yes

Project budget

Nominated project cost

Provide the eligible project expenditure for the project.

Refer to the grant opportunity guidelines for guidance on eligible expenditure.

For incorporated not for profit organisations, the minimum project cost is \$2,500.

For local governing bodies, the minimum project cost is \$5,000.

The maximum cost of your project cannot exceed \$50,000.

Head of expenditure	Total
Project cost	\$8,000
Nominated project cost	\$8,000

Total Commonwealth Funding Sought (\$AUD and GST exclusive)

Total grant funding sought. We will add GST to this where applicable.

For incorporated not for profit organisations, the grant amount can be up to 100 per cent of project cost, up to a maximum of \$20,000.

For local governing bodies, the grant amount can be up to 50 per cent of project cost, up to a maximum of \$20,000.

Electorate

Your electorate must be entered in all capital letters.

BRUCE

Reason for your nomination

Briefly provide reasons for nominating this project. Outline how it is consistent with the program objectives and outcomes outlined in the grant opportunity guidelines.

This project will meet the program's objectives as it will directly allow for new members of the community to participate in their local community and support their participation. This is especially true of newly arrived migrants who will be able to contribute and in turn mean the community is diverse, vibrant and viable.

Community consultation process

Have you undertaken community consultation to identify your projects?

Yes

What type of community consultation did you undertake?

Expression of Interest

Conflict of Interest and Probity

Have you, your electorate staff and consultation committee read and understood your conflict of interest and probity requirements?

Yes

Project budget

Nominated project cost

Provide the eligible project expenditure for the project.

Refer to the grant opportunity guidelines for guidance on eligible expenditure.

For incorporated not for profit organisations, the minimum project cost is \$2,500.

For local governing bodies, the minimum project cost is \$5,000.

The maximum cost of your project cannot exceed \$50,000.

Head of expenditure	Total
Project cost	\$10,000
Nominated project cost	\$10,000

Total Commonwealth Funding Sought (\$AUD and GST exclusive)

Total grant funding sought. We will add GST to this where applicable.

For incorporated not for profit organisations, the grant amount can be up to 100 per cent of project cost, up to a maximum of \$20,000.

For local governing bodies, the grant amount can be up to 50 per cent of project cost, up to a maximum of \$20,000.

\$ 5,000

Conflict of interest

Do you have any perceived or existing conflicts of interest to declare?

[Refer to the grant opportunity guidelines for further information on your conflict of interest responsibilities.](#)

Declaration

I declare that

- community consultation has been undertaken to identify potential projects and applicants in this electorate
- I have read and understood the grant opportunity guidelines, including the privacy, confidentiality and disclosure provisions
- the nominated projects:
 - are consistent with the intended grant opportunity objectives and outcomes
 - represent value for relevant money
- any actual, apparent or potential conflicts of interest have been acknowledged and the management of these conflicts has been documented in this nomination
- the information contained in this nomination together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth)
- I am authorised to submit this form on behalf of the Member of Parliament and acknowledge that this is the equivalent of signing this nomination.

I approve the information in this submission being communicated to the department in electronic form.

By checking this box, I agree to all of the above declarations and confirm all of the above statements to be true.

Yes
