Subject: Re: QAG WSI Freight Transition Timing [SEC=OFFICIAL]

OFFICIAL

Hi s47F yes very happy to schedule a call, copying s22(1)(a)(ii) who can assist with times.

The 25 July timeframe accords with our understanding of progress noting that we still need to achieve aerodrome certification, but no concerns to report.

Note that WSI's airspace, as well as facilitated changes to other Sydney aerodromes, will be activated earlier on 9 July.

Kind regards
