IMPORT APPROVAL ISSUED UNDER REGULATION 11 – SEVS

I approve the importation of the vehicle(s) described in the Schedule below under Regulation 11 of the Motor Vehicle Standards Regulations and section 20(1)(b) of the *Motor Vehicle Standards Act 1989* (the Act) on the conditions that:

- i. the vehicle(s) will be modified to meet the national standards for vehicle safety and emissions (Australian Design Rules) which applied in Australia when the vehicle(s) was built by the approval holder given in the Schedule below;
- ii. when that modification is complete, a plate must be fixed to each vehicle by, midnight of 7 May 2003, unless otherwise approved by the Administrator; and
- iii. if for any reason a plate cannot be fitted to any of the vehicles, you must:
 - (a) destroy or export the particular vehicle; and
 - (b) advise the Administrator in writing within 2 business days, providing the vehicle details and evidence of the destruction or export of the vehicle, as the case may be.

If you contravene any of the above conditions you may be committing an offence under subsection 16(7) of the Act that may attract a penalty of a fine of 60 penalty units for an individual.

I also give approval under section 17A of the Act, for you to take delivery of the vehicle(s).

Please note that, without an approval under subsection 16(2) of the Act, it is an offence under subsection 16(1) to deliver a used imported vehicle that is not fitted with a plate issued by the Administrator of Vehicle Standards to a person for use in transport in Australia. This offence may attract a penalty of a fine of up to 120 penalty units.

For the purpose of this authority, “plate” means a plate approved by the Minister pursuant to section 16(2) of the Act.

IMPORT APPROVAL ISSUED UNDER REGULATION 15 - REGISTERED
AUTOMOTIVE WORKSHOP

I approve the importation of the vehicle described in the Schedule below under regulation 15 of the Motor Vehicle Standards Regulations and section 20(1)(b) of the *Motor Vehicle Standards Act 1989* (the Act) on the condition that:

1. Unless otherwise authorised by the Administrator, a Used Import Plate must be affixed to the vehicle within 12 months of the date of this approval;
2. If condition 1 is not met the vehicle must be exported or destroyed within 30 days of the expiry of the 12 months in condition (1); and
3. The holder of this approval shall advise the Administrator in writing within 2 business days of the vehicle being exported or destroyed

and on the basis that I am satisfied that:

- i. the applicant is a registered automotive workshop; and
- ii. the vehicle is less than 15 years old at the date of application; and
- iii. the make and model of the vehicle is included in the schedule of approved vehicles for the applicant; and
- iv. the application to import was accompanied by an application for approval to place a used import plate on the vehicle; and
- v. for a vehicle other than a two-wheeled or three-wheeled vehicle — approval has not been granted to the applicant to import more than a total of 130 vehicles in the vehicle category to which the vehicle belongs in the period of 12 consecutive months immediately preceding the application; and
- vi. for a restricted volume two-wheeled or three-wheeled vehicle — approval has not been granted to the applicant to import more than a total of 130 vehicles in the vehicle category to which the vehicle belongs in the period of 12 consecutive months immediately preceding the application.

To contravene any of the above conditions could be an offence under subsection 20(3)(b) of the Act that may attract a penalty not exceeding 60 penalty units. To sell the vehicle or use it in transport in Australia before a Used Import Plate is affixed could be an offence under section 16 the Act that may attract a penalty not exceeding 120 penalty units.

Approval is given, under section 17A of the Act, for you to take delivery of the vehicle.

For the purpose of this approval “Used Import Plate” means a Used Import Plate approved by the Minister pursuant to section 13D of the Act.
