Services

The Equal Opportunity Commission, on behalf of – and fully funded by – the Australian Government, promotes equality of opportunity in the Territories communities and provides remedies in respect of discrimination by:

- providing relevant and appropriate information on equal opportunity and anti-discrimination matters
- investigating and attempting to conciliate complaints of unlawful discrimination
- identifying discriminatory policies and practices and working with organisations to redress these.

What does this mean for me?

You can lodge a complaint with the Commissioner for Equal Opportunity on your own behalf, or on behalf of yourself and others, if the complaint is about exactly the same situation.
