

Housing services

Delivered by the Department of Communities— Housing Authority in the Indian Ocean Territories

April 2022

Services

The Department of Communities – Housing Authority, on behalf of – and fully funded by – the Australian Government, provides the following services:

- Housing management support – assists the Australian Government to manage social housing in the Territories in accordance with relevant policies, procedures and guidelines as well as providing advice about employee housing
- Policy advice and support to the Australian Government on a range of housing related issues
- Valuations – advice and assistance on Australian Government property valuations that are utilised in the setting of rents or property disposals
- Contracting and construction – advice and services to the Australian Government that facilitate the procurement process for future housing acquisition or upgrade.

What does this mean for me?

The Australian Government manages social housing in the Territories using the Department of Communities' policies and guidelines, including:

- eligibility policy, tenancy management policy and practices, and property rents
- procedures to assist the Australian Government in day-to-day tenancy control and management.
