

Training and Workforce Development services

Delivered by the Department of Training and Workforce Development in the Indian Ocean Territories

April 2022

Services

The Department of Training and Workforce Development, on behalf of – and fully funded by – the Australian Government, provides the following services to assist:

- the Territories in building their workforce to meet the needs of industry and the community generally
- with training information and the skills acquisition of residents.

What does this mean for me?

As a Territories resident, you have access to Vocational Education and Training opportunities through employment and institutional-based training.

You can access apprenticeship and traineeship opportunities through a group training provider or direct employment arrangements.

The Indian Ocean Group Training Association can also assist you in accessing other Vocational Education Training requirements.
