National Cabinet announced the COVID-19 isolation requirements changed on Friday, 9 September 2022. The isolation period for COVID-19 positive cases has reduced from 7 days to 5 days—provided cases have no symptoms.

Please continue to maintain a safe distance from others, practise good hand hygiene, wear a mask in public places, cover your coughs and sneezes, stay home if sick and get tested if you develop symptoms.

Please register all cases with IOTHS not WA. Contact the health service if you require further information.
