Attention the Director

**Sunsetting Airports Regulations Stage 1b: Act Amendments on Airport Sites**

Jandakot Airport Holdings Pty Ltd (JAH) supports option 3.3 as set out in the Consultation Paper to “remake the Airport Regulation with changes.” There is definitely a benefit in ensuring consistency between the regulations and the titles register.

We support the investigation into consideration of: “how the boundaries of airport sites are defined”, however, we would appreciate more information on the proposal to: “allow the minister to declare an airport site via legislative instrument.

Yours sincerely
