## **5 SCOPE OF *THE SCHEME***

7.2 Upon taking, or amending a booking, for the carriage of a passenger on a *Bass Strait crossing*, a *Service Operator* shall determine whether the passenger is an *eligible passenger* for the purposes of *the Scheme*.

7.3 Where a *Service Operator* determines that a passenger is an *eligible passenger*, the operator shall:

If the determination at that later date is that the passenger is an eligible passenger in relation to the return leg, the operator shall pay the passenger an amount (*the second*

*rebate*) equal to the rebate for a one-way trip determined in accordance with Schedule 1.

7.4 The operator must not defer the determination under paragraph 7.3(b) in relation to the return leg to a date later than 30 working days after the passenger has provided the operator with evidence of completion of the *round trip*.

7.4A An *eligible passenger* who wishes to claim the *second rebate* under paragraph 7.3(b) from the operator must do so within 6 months after completion of the *round trip*.

7.5 Where a booking, for which a *rebate* has been deducted from the *passenger vehicle* fare, is amended so that:

- (a) the type of *eligible passenger vehicle* accompanying the *eligible passenger* changes; or
- (b) the type of booking changes from a *one-way trip* to a *round trip*, or from a *round trip* to a *one-way trip*; or

  - (ii) being a Bass Strait crossing that is not scheduled to depart during the period mentioned in paragraph 3.1(b) of Schedule 1, to being a Bass Strait crossing that is scheduled to depart during that period;

the *Service Operator* shall determine the amount of rebate payable in respect of the amended booking in accordance with Schedule 1.

- (a) in the case where the amended rebate amount is greater than the rebate previously applied:
  - (i) deduct the difference from the passenger's passenger vehicle fare;
  - (ii) issue documentation which reflects the changed circumstances of the booking (including the rebate provided); and
  - (iii) amend the information maintained under clause 15; or

- (b) in the case where the amended rebate amount is less than the rebate previously applied:

- 8.2 On receipt of the claim, the *Deputy Secretary* shall determine whether the claimant is an *eligible passenger* for the purposes of *the Scheme*.
