Hi [REDACTED]

Great idea – very happy to have a meeting soon, then lock in meetings every 2 months.

Does 2:00pm AWST/4:00pm AEST next Tuesday 30 September work? If it does, could you please send me a list of projects you're keen to discuss by tomorrow, so I can go out to the agencies for updates?

Would also be good to discuss:

- the Commonwealth Government's future infrastructure priorities,
- how we can progress joint project planning and development,
- feedback and advice from DITRDCA/IA, and
- funding processes/opportunities (i.e. grant programs, 2025-26 MYEFO, 2026-27 Budget).

Cheers

Thanks [Redacted]

See attached for a draft agenda/list of projects.

More than happy to chat about the below items, along with [Redacted] if you wanted to have a more substantive discussion about that. I also appreciate some of the projects listed will be delivered by Council, but I suspect you'll still have valuable insights.

I'll send through a meeting link – fell free to forward on to anyone else in your office you think should attend.

Cheers,

Hi [REDACTED]

I'm reaching out on behalf of Minister King's office, as her Commonwealth-State Relations adviser, with the hope of establishing a semi-frequent (once every two months or so) catch up between relevant staff in our offices regarding jointly-funded projects. This would act as a forum to share project information, coordinate joint events, and an opportunity to raise and discuss any issues that may be impacting project delivery.

In terms of project delivery, our focus is on 2022 and 2025 election commitments, as well as projects identified by our department as experiencing delivery challenges.

Could you please let me know if you and/or your office would have availability over the course of the next fortnight for our first catch up? I'll then send through a draft agenda and list of projects we're interested in receiving an update on closer to the meeting date.

Cheers,

[REDACTED]

Hi [REDACTED]

I just tried to give you a call.

Our team are happy for [REDACTED] to be the Australian Government representative quoted on the media release for McCallum Park instead of Minister King. Minister Wells is not the relevant portfolio for this project as it was funded under the Priority Community Infrastructure Program.

Many thanks, and I hope it all goes well.

Hi [REDACTED]

This release re McCallum Park was sent to Minister Wells by mistake as you may know just confirming, fine for [REDACTED] to contribute like this, and there won't be line from Minister Wells.
