PENSIONER ANNUAL FREE TRIP SCHEME

General Information

In this Guideline the Department of Infrastructure, Transport, Regional Development, Communications, Sport and the Arts is referred to as the Department.

The Territory of Christmas Island and the Territory of the Cocos (Keeling) Islands are often referred to collectively as the Indian Ocean Territories (IOT).

The purpose of this scheme is to provide eligible pensioners in the IOT with access to Australian mainland services that are not available in remote areas.

This scheme provides eligible pensioners in the IOT with equivalent airfare related assistance to that received by equivalent pensioners in remote areas of WA.

As such, the Department Pensioner Annual Free Trip Scheme is operated in accordance with the same guidelines as the Pensioner Scheme provided by the WA State Government.

The people that will be able to access the scheme are those pensioners that have a Pensioner Concession Card (PCC) issued by Centrelink.

If you receive an eligible Centrelink payment you will automatically receive a PCC.

For further information about eligibility for Centrelink payments and the PCC, please contact Centrelink or your local Centrelink agent.

**When making an application, please ensure you
are referring to the current guidelines**

Eligibility Criteria

To be eligible for assistance under the scheme, pensioners must satisfy the following eligibility criteria:

- must be an Australian Citizen or hold a permanent residency visa;
- must be a permanent resident of Christmas Island or the Cocos (Keeling) Islands for a continuous period of 2 years or longer; and
- must be in receipt of a valid Pensioner Concession Card.

Entitlements

Those pensioners who satisfy the above criteria will be entitled to receive **one free return airfare to Perth per calendar year**.

4. If you need to arrange your bookings before your application is assessed, you must pay for the airfare and seek reimbursement later. **Please note that reimbursements will not be granted for travel undertaken in previous years, unless an application submitted that year was approved. 5. Pensioners seeking reimbursement for their costs of travel will need to provide the following:

6. The maximum amount the Department will reimburse is the cost of best fare for the day. Payments are usually made by EFT into a nominated bank account so you will be required to provide these details.
