# ROVER guide: How to download an advisory notice

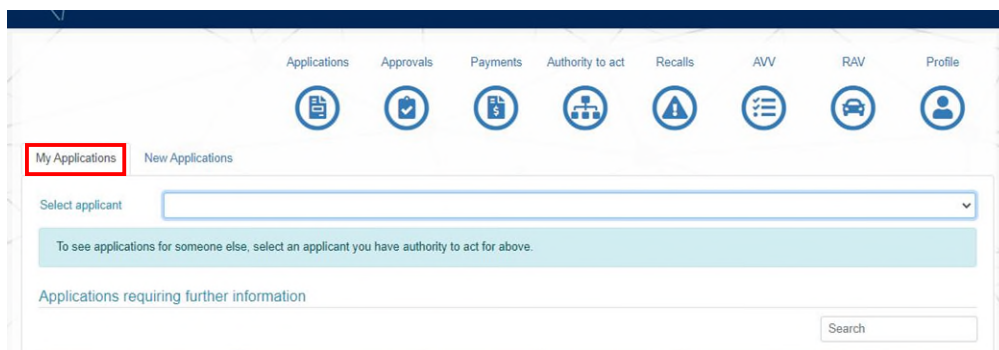

November 2022

# How to download an advisory notice

An advisory notice that a thing is not a road vehicle is a formal notice issued under the Road Vehicle Standards Rules 2019 (the Rules), stating that a vehicle (or thing) is not a road vehicle and therefore does not require 'permission' to be imported into Australia.

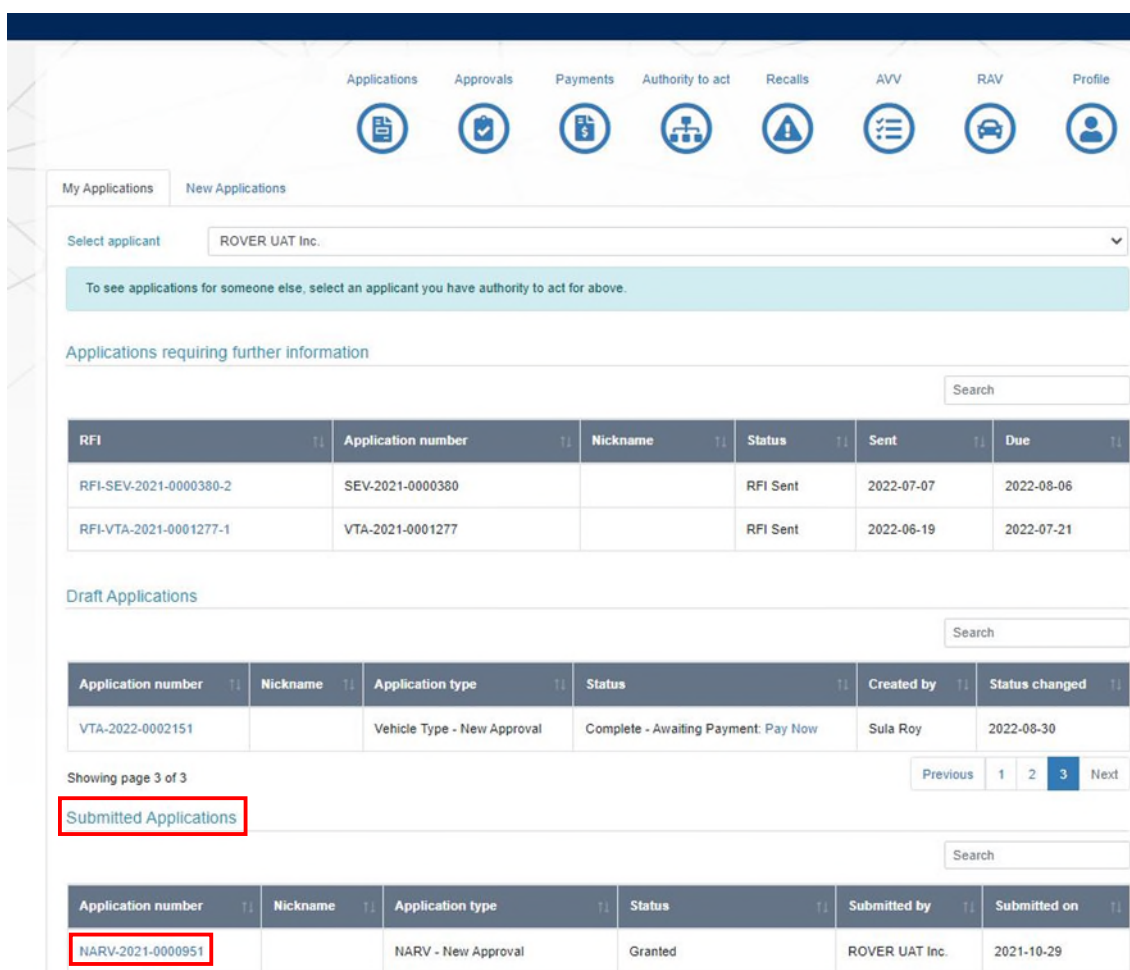

## Step 1.

Once signed in to [ROVER](#), click on the **My applications** tab.

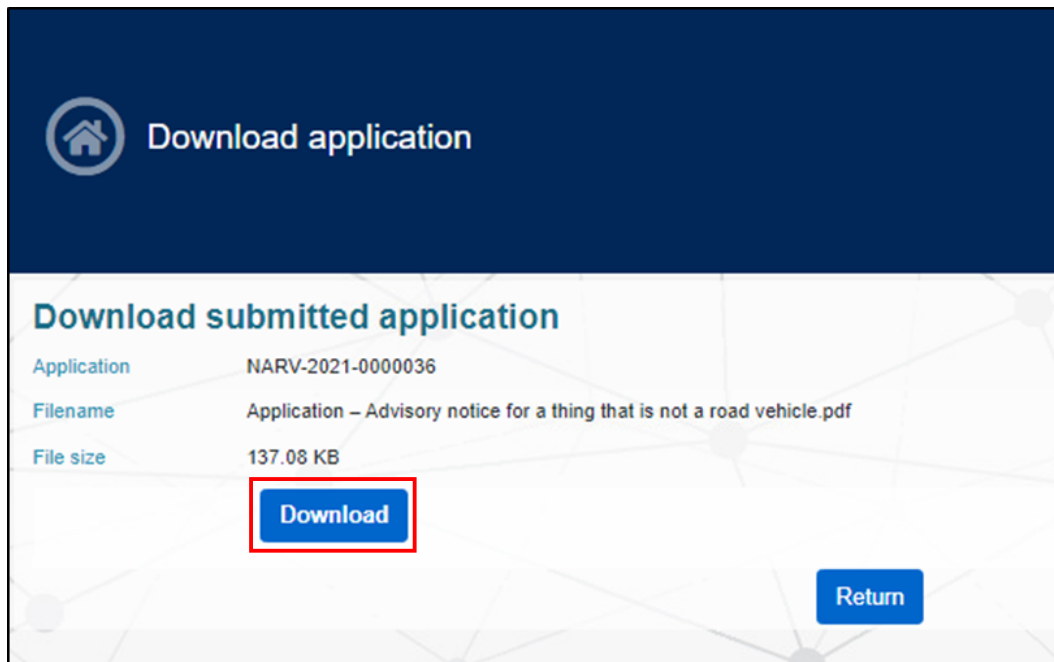

## Step 2.

Then click on the relevant approved NARV (Not a Road Vehicle) application in the **Submitted applications** section.

### Step 3.

Click **Download** to access the **Advisory notice**.
