

Set up Microsoft Authenticator as an existing user

ROVER and RVCS & RAWS guide

October 2025

This guide will take you through the steps on how to set up Microsoft Authenticator as the multi-factor authentication method for your existing ROVER or RVCS & RAWS site account.

Please ensure you have downloaded the Microsoft Authenticator app on a compatible device from the [Apple App Store](#) or [Google Play Store](#) before you begin. Microsoft Authenticator app will work on:

- iPhones and iPads running **iOS 14 or later**
- Android phones and tablets running **Android 8 or later**

Recommended browsers: [Chrome](#), [Firefox](#) or [Microsoft Edge](#).

Set up multi-factor authentication with Microsoft Authenticator

To set up multi-factor authentication first download the Microsoft Authenticator app and complete the following steps ([Apple App Store](#) or [Google Play Store](#)).

1. Sign in to your existing account using one of the following methods:
 - a. Navigate to the [Welcome to ROVER](#) page and select the **Sign in** button.
 - b. Navigate to the [RVCS and RAWS Lookup](#) site, select the **Authorised participant login** and then select the **Login** button.

2. Enter your **Email address**.
3. Enter your **Password**.
4. Select the **Sign in** button.

5. Open the **Microsoft Authenticator** app on your device and add a new authentication using one of the following methods:
 - a. If you already use the app to verify your sign in to other sites, select the **plus** button.
 - b. If not, select the **Add account** button.

6. Select **Other (Google, Facebook, etc.)**.

7. Select **Scan QR code** button.

8. Add the **authentication** using one of the following methods:

- a. Using the app, scan the **QR code** with your device.
- b. Select the **Still having trouble?** link underneath the QR code to reveal an account name and secret key. Then, select the **Enter code manually** button in your app, enter **Account name** and **Secret Key** into the free text fields and select the **Finish** button.

9. Select the **Verify** button in ROVER.

10. Select your authenticator account from the list in the Microsoft Authenticator app on your device.
11. Enter the 6-digit code from the Microsoft Authenticator app into the **Enter your code** field in ROVER.
12. Select the **Verify** button.
