Short comment

During both the Tathra and Bega bushfires we have no mobile reception. We got no warnings a friend from Tathra rang on the landline at 4am to tell us the story and to evacuate.. Once on the Tathra ,Bermagui road we did not know which way to turn. The reception after Tathra to bermaguii is almost non existent. I have also had to drive into town to assist people with breakdowns as they couldn't contact nrma
