Short comment

Had a satellite phone fitted in our fire truck as when we leave Emerald town area mobile phone reception as far as Alpha, about 200kms. west is only possible at 4 locations. When we are called out to a wildfire or road accident mobile phone comes back to Rockhampton is only possible using a satellite phone. As soon as we leave Willows township mobile phone reception is nonexistent. Members of the public, needing assistance have to hope that somebody will be able to pass a message that they need help.
