3		To access the NRS VIDEO RELAY SERVICE Skype contact, type the link provided on the left into the browser of your device.
4		You will be taken to this window in Skype . Click on the blue Add to Contacts button.
5		You will be asked to sign into Skype .
6		NRS VIDEO RELAY SERVICE will now be added to your Skype contacts and you will be ready to make Video Relay calls.
7		If you are using the NRS app, open the app and select the Video Relay (Sign using Auslan) option from the Select your call type menu, and then tap Start Skype . The NRS VIDEO RELAY SERVICE contact will be automatically added to your Skype contacts list.

Deleting the old Skype contact

If you were a Video Relay user before 20 November 2019, you need to delete the old **NRS VIDEO RELAY** contact as it won't deliver a service any more. The new contact is called **NRS VIDEO RELAY SERVICE**.

To do this, follow the instructions provided by Skype at

<https://support.skype.com/en/faq/FA34868/how-do-i-remove-a-contact-in-skype>.

NRS Helpdesk

Contact the NRS Helpdesk to find out more about preparing to make Video Relay calls and setting up Skype.

The Helpdesk is open from 8am to 6pm, Monday to Friday (Eastern Standard Time). There are a number of ways to make contact with Helpdesk staff:

- Email helpdesk@relayservice.com.au
- Phone 1800 555 660
- SMS 0416 001 350.
