Hi Damian

Are you able to help out on this one.

Main Roads here has been approached and it's been implied that there may be a media event and that we are in the loop. We are interested of course but our office haven't received any contact as yet so we a bit in the dark.

cheers

Good morning Aimee, Dean,

As discussed with Dean, Minister Briggs is planning a visit to the site of the Perth Freight Link on Monday (I believe around 10am, Minister Nalder's office may know more).

Could you please urgently send us two potential locations, one being the Roe 8 site, and one being a site along the planned route that would have a good backdrop (e.g. traffic or freight movements). If it can be in the electorates of Swan or Tangey that is ideal, but not necessary. If we could please get that this morning it would be so very much appreciated!

Also attached is our standard event details form. Once things have been a little more locked in, if you could please fill it out too.

Cheers,

**Anselm Cox**
