Thanks Ned, for consideration by Infrastructure:

Request for Commonwealth consent to Sydney Intermodal Terminal Alliance's (SIMTA) Concept Plan application MP 10_0193 (Concept Plan)

I refer to the various correspondence from SIMTA to both myself and the Department of Defence on the issue of consent by the Commonwealth as the owner of certain land (Lot 3001 in DP11295930 and Lot 4 in DP1130937), to SIMTA's Concept Plan. The Concept Plan provides for the development of an intermodal terminal on land owned by SIMTA with supporting infrastructure on nearby land, including this Commonwealth land. To date, the Moorebank Project Office has coordinated previous responses to SIMTA.

I understand from your discussion with Mike Mrdak, Secretary of the Department of Infrastructure and Transport on Tuesday 29 November 2001, that SIMTA may only require consent over Lot 4 in DP1130937.

Commonwealth land in Lot 4 in DP1130937 is land that is not intrinsically related to the Commonwealth's intermodal terminal project. Accordingly, you may wish to approach the Department of Defence separately. I suggest you contact Mr John Owens on the contact information below.

Yours sincerely

Alice

Dear Mr Yiend

Request for Commonwealth consent to Sydney Intermodal Terminal Alliance's (SIMTA) Concept Plan application MP 10_0193 (Concept Plan)

I refer to the various correspondence from SIMTA to both myself and the Department of Defence on the issue of consent by the Commonwealth as the owner of certain land (Lot 3001 in DP11295930 and Lot 4 in DP1130937), to SIMTA's Concept Plan. The Concept Plan provides for the development of an intermodal terminal on land owned by SIMTA with supporting infrastructure on nearby land, including this Commonwealth land. To date, the Moorebank Project Office has coordinated previous responses to SIMTA.

I understand from your discussion with Mike Mrdak, Secretary of the Department of Infrastructure and Transport on Tuesday 29 November 2001, that SIMTA may now only require consent over Lot 4 in DP1130937 due to revisions to SIMTA's original Concept Plan.

Commonwealth land in Lot 4 in DP1130937 is land that is not intrinsically related to the Commonwealth's intermodal terminal project. Accordingly, you may wish to approach the

Department of Defence separately outlining SIMTA's revised requirement, and also providing appropriate supporting documentation. I suggest you contact Mr John Owens, Head Infrastructure, Department of Defence, on the contact information below.
