Good afternoon s22

Please find attached the third part of the Completion Report for CDG021 – Central Coast Youth Skills & Employment Centres Project. The following attachments are included in this e-mail to support the documentation included in the first e-mail:

- Project brochures

Just so you are aware I will be on annual leave until 1st October 2015 so should you have any queries I was wondering if you would be able to hold these over until my return? I understand the report was not due until the 30th September however as I am going on leave I wanted to ensure you had this before the due date.

Kind Regards,

Alison Cook
