Hi s22

Thank you for this.

September 14 works well for us. We have put it in the Minister's diary. Ideally we would like to hold the meeting at 10am in Launceston.

Can we please lock it in for this date.

Thanks

s47F – further on the JCTEC Business Members Group meeting with Minister McVeigh I received the following over the weekend.

September 14 seems to be the best date for all so far. One member, s47F, will definitely not be able to attend, as she will be on extended holiday overseas, however we seem to have four out of five ready to attend on that date.

s47B  
s47F as you see, has offered his corporate facilities in s47F

Could you let us know the Minister's location preference and whether we should lock in September 14 now?

Dear s47F – thanks so much for this response and your offer of meeting at your corporate facility in s47F. Your availability is noted and I will convey it and your offer further to Minister McVeigh's Office and to our colleagues in the Tasmanian Government who are also to attend. We will be in touch soon to confirm dates and location.

I understand from a discussion with s47F last week that you are finalising the papers that we requested to allow completion of your appointment. I look forward to receiving them in due course.

Hi s22

Thank you for your e-mail.

We confirm s47F would be available to attend a Business Members' Group meeting on Friday 14 September. If suitable to Minister McVeigh and other members we would be pleased to host the meeting at our corporate office facility in s47F. s22

I could also be available in either Devonport, as a first preference, or Launceston to attend a meeting on Friday 14 September.

From your discussion with s47F, we understand Friday 14 September seems to be the preferred option for the majority of members. s22

so sorry, I need to correct something in the message below. The dates and days of the week were not all correct (they were as given to us by the Minister's Office and I assumed they were correct). So it seems that it should have been – no 3 – Friday 7 September and no 5 Wednesday 26 September, Thursday 27 September and Friday 28 September.

Many apologies for my confusion (it's been a long week).

Dear s47F

Thank you for accepting Minister McVeigh's extension of your appointment to the Business Members Group of the Joint Commonwealth and Tasmanian Economic Council.

I called your office this afternoon to make contact with you on a couple of matters.

First of all, I would like to ask whether you could complete and send back the appointments papers for the extension of your appointment to the Business Members Group advising the Joint Commonwealth and Tasmanian Economic Council. The papers were sent to you on 6 July (as per the email below) but I am resending them in case they went astray. The completion of these papers is necessary for your appointment to be completed.

Secondly, I wanted to let you know that – as indicated in his appointment extension letter - Minister McVeigh is keen to meet with Group and has asked us in his Department to contact all members with a view to identifying their availability for such a meeting. The Minister would be able to fly down to Tasmania for the meeting and would be able to do so on any of the following dates:

1. Monday 27 August
2. Thursday 9 August
3. Friday 8 September
4. Friday 14 September
5. Sunday 26 September or Monday 27 September or Tuesday 28 September.

At this stage, we envisage that the meeting would be no more than a half-day and would encompass an opportunity for the Group not only to meet the Minister personally but also to start discussing the work he has asked the Group to do on business conditions in Tasmania. The agenda will be firmed up once we have an agreed date. The meeting might take place in Hobart or in the north of Tasmania – Launceston or Devonport – and this too will be confirmed as soon as a date can be set.

For the moment, we are asking for your advice as to your general availability for a meeting at the abovementioned times. Could you kindly indicate both dates on which you are available and definitely not available.

In addition, if you wish, we would be pleased to have any other comments/preferences as to the location of the meeting, the agenda, or anything else.

Please let me have your response as soon as you can, preferably by the end of next week – Friday 27 July.

Also, do not hesitate to contact me in case of any queries/issues.

Kind regards

s47F and Tasmanian colleagues

For your information.

I'll be in contact further about the agenda (s47F and I have already had some interaction on this) and arrangements.

Note that s47F is unlikely to attend, since she will be on extended holiday overseas, so we will likely only have four members of the Business Group, three of whom are based in and around Burnie, so Launceston seems to be a reasonably easy location for them. s47F will have to fly from Sydney so we might need to discuss reimbursement costs for her – and also attendance costs for the four members on the day.

I hope to be able to be there myself so fingers crossed, can meet you in person then.

By all means let me know if there are any queries at this stage.

Im very sorry to say that just this week I sacrificed Friday to another commitment - thinking it was now very unlikely the meeting would proceed.

So my selfish preference would be to reschedule, which as s47F suggests will probably make for a higher impact meeting.

If you do decide to proceed I understand given how hard finding a date can be however will need to be an apology.

Thanks for your note.

While we can no doubt muster a meeting on Friday, I wonder how effective this will be, without proper preparation etc. and given we have a couple of key members who are unable to attend. On the other hand, I am reluctant to see us cancel as it has taken a long time to get the meeting scheduled.

I am in West Australia at present and will back in Tasmania late on Thursday, but will have little time to prepare for the meeting.

Dear JCTEC Business Members Group

Apologies again that we have not been able to provide definite advice about whether the Business Members Group meeting proposed for 14 September is proceeding: unfortunately, that is still the case. We understand from the Deputy Prime Minister's Office that he has expressed his intent to meet with you and to do so if possible on 14 September, however this is still contingent on a number of other factors and we cannot at this time confirm absolutely that 14 September is the date for the meeting.

We are very aware this uncertainty is most inconvenient and undesirable for everyone, especially since the proposed meeting is just one week away. It may be that you have made different arrangements by now, assuming that it will not go ahead. Could you let me know if that is the case. We will update you, of course, immediately when we have more information.

All – many apologies that we have not been able to provide confirmation about the planned September 14 meeting of the Business Members Group in Launceston as yet.

Given the Ministry and responsibilities changes at Australian Government level since last Sunday, Ministers Offices have been rescheduling and re-organising a number of existing commitments. The best we can advise, and in consideration of everyone's forward schedule, is that we think it appears more likely than not that the JCTEC Business Members Group meeting will be postponed, and a new date organised in consultation with you all.

I will of course update you as soon as more information is available.

Thanks for your note.

While we can no doubt muster a meeting on Friday, I wonder how effective this will be, without proper preparation etc. and given we have a couple of key members who are unable to attend. On the other hand, I am reluctant to see us cancel as it has taken a long time to get the meeting scheduled.

I am in West Australia at present and will back in Tasmania late on Thursday, but will have little time to prepare for the meeting.

Please let's know your thoughts.

Dear JCTEC Business Members Group

Apologies again that we have not been able to provide definite advice about whether the Business Members Group meeting proposed for 14 September is proceeding: unfortunately, that is still the case. We understand from the Deputy Prime Minister's Office that he has expressed his intent to meet with you and to do so if possible on 14 September, however this is still contingent on a number of other factors and we cannot at this time confirm absolutely that 14 September is the date for the meeting.

We are very aware this uncertainty is most inconvenient and undesirable for everyone, especially since the proposed meeting is just one week away. It may be that you have made different arrangements by now, assuming that it will not go ahead. Could you let me know if that is the case.

We will update you, of course, immediately when we have more information.

All – many apologies that we have not been able to provide confirmation about the planned September 14 meeting of the Business Members Group in Launceston as yet.

Given the Ministry and responsibilities changes at Australian Government level since last Sunday, Ministers Offices have been rescheduling and re-organising a number of existing commitments. The best we can advise, and in consideration of everyone's forward schedule, is that we think it appears more likely than not that the JCTEC Business Members Group meeting will be postponed, and a new date organised in consultation with you all. I will of course update you as soon as more information is available.

Dear Business Members Group

Thank you for the return of your appointments documents and for letting me know of your availability to meet the Minister for Regional Development, Territories and Local Government, Dr John McVeigh, and to discuss the work of the group to support the Joint Commonwealth and Tasmanian Economic Council.

I can confirm that we have been able to come up with a date that seems to suit everyone for the meeting: it is **September 14** – and the location will be in Launceston, in a meeting room kindly offered to us by the Treasurer of Tasmania, the Hon Peter Gutwein.

Could you all kindly put that date in your diaries. The meeting is likely to start late morning, when Minister McVeigh flies in and finish around 4 pm or so.

I will be in touch in due course with regard to the agenda for the day and any other necessary arrangements. Note that as well as Minister McVeigh, I understand that Mr Gutwein is likely to attend, as well as some Tasmanian and Australian Government officials.

Please let me know of any queries or concerns at this stage.

Subject: JCTEC and Business Members Group Meetings [SEC=PROTECTED, DLM=Sensitive:Cabinet]

Hi Max,

s47B I spoke to s47F and s47F from PM&C as they were keen to discuss the way forward.

s47B

Ultimately they would like us to determine a date for the Business Members Group meeting as soon as possible and once we have they will provide it to the PMO so that they can try to schedule a JCTEC meeting. s47B

So in short, we are back where we were and we really need to DPMO to provide us with some possible dates for the DPM to attend a Business Members Group meeting. Once we have some possible dates it will enable us to liaise with the Tasmanian Government and Business Members to determine attendee availability and lock in the time, date and location. Depending on where the Hobart City Deal is up to, this might determine timing.

Would you like me to liaise with s22 to determine possible dates or would you prefer to?

Happy to chat more on this if you need.

Cheers,

s47F – thanks for the advice. We have consulted again with the Deputy Prime Minister’s Office and unfortunately – as you can imagine - the DPM’s diary is very full and the March 13<sup>th</sup>, 9-10.30am date is really the only time he has available to fly down to Tasmania to meet the Business Members Group before the federal election is upon us all.

s47B

On your last question, yes, the PM has endorsed proceeding with another meeting of the full Council, but with due regard to the need for the Business Members to meet first.

Could you let me know as soon as you can whether this would work?

(Note I have still not contacted the Business Members themselves to ascertain availability, in order to make sure we have an arrangement that suits both governments).

Hi s22

As expected, this date doesn’t work for our Treasurer as that week is the first Parliament sitting week for 2019. I have attached Tasmania’s Parliament sitting timetable for your reference should the Deputy Prime Minister wish to propose an alternative date.

Also - I think last time we spoke we were waiting for the Prime Minister to give his endorsement to proceed with another meeting of the full Council and the preceding Business Members meeting. Has that occurred?

Cheers

s47F - just tried to call you to say we have a proposed date when the Deputy Prime Minister is available to fly down to Tasmania for a JCTEC Business Members Group meeting: **March 13, 9-10.30 am.**

Could you take soundings at your end as to availability of Tasmanian Government members/officials and let me know as soon as you can.

We are about to canvass also the availability of the Business Members Group people themselves, but I have not yet done this in order to check with your end first.

We would appreciate being able to use the Launceston premises as previously planned.

As the DPM's time is limited, I think we need to squeeze the proposed agenda that we have been working on down to 1 ½ hours, and make sure there is time for discussion with the business members.

Happy to discuss – give me a call when you are available.

(hopefully we actually get to meet in person at last!)

Hi

I would like to confirm the Deputy Prime Minister's meeting with the Business Members Group of the Joint Commonwealth and Tasmanian Economic Council on 13 March in Hobart from 9 – 10.30 am and move it from a tentative commitment in the DPM's diary to a firm commitment if possible.

- As you know, JCTEC is chaired by the Prime Minister, and involves a number of other Australian Government Ministers as well as the Tasmanian Premier and Treasurer. The Business Members Group is an advisory body – its function is to provide local business input for JCTEC. The Group was appointed in June 2017 for the first time in June 2017 for one year and reappointed in June 2018 for a further year. For various reasons due to both Australian and Tasmanian Government pressures, the Group has never met.

s47B

Happy to discuss

Thanks Marie

All – I am now in a position to confirm venue and timing for the Business Members Group meeting.

The meeting will be from 9 am to 10.30 am on 13 March 2019 at the “Murray Room” at the Tasmanian Department of Treasury and Finance - 21 Murray Street, Hobart.

Doors to Treasury open at 8.45 am. You should come to the foyer of the building where an escort will be waiting to take you up to the room.

There will be tea and coffee available on arrival and morning tea at 10.30am.

We will provide the agenda and background papers by email to you by the end of the week.

Thank you to our Tasmanian Government colleagues for their generous offer of this venue.

Let me know if there are any questions at this stage.

s22

Thank you for your note and confirmation that the meeting will be proceeding on 13<sup>th</sup> March 2019 in Hobart. Could you please provide the starting time, duration of the meeting and location in order that we can plan appropriately.

I would be more than happy to receive input from each of the business members on their views on business conditions in Tasmania.

While we would have preferred to have the business members meet before this next meeting, as previously planned, the short notice, my schedule for the balance of this week and Monday being a public holiday leaves Tuesday as the only time I could be available for a quick meeting.

I would be happy to have a catch up via conference call or in person at our office in Burnie on Tuesday 12<sup>th</sup>, if this is convenient for perhaps s47F. I could arrange my schedule to do this any time on Tuesday afternoon. At this stage, I expect to travel to Hobart early on Wednesday morning, depending on the start time of the meeting.

Prior to one of the previous proposed meetings, s47F did a considerable amount of work to reassess our previous projects list and to review with me what we thought might have been the more important items to discuss at a future meeting. This however was in preparation for a pre-meeting of the business members before the next full JCTEC meeting.

In light of the lack of time available for preparation for this meeting it may be best to just use the upcoming meeting for direction setting and to decide if the commonwealth are serious about continuing with the JCTEC as the approach over the last 12 -18 months has been pretty underwhelming.

If you could provide a rough agenda/timeframe along with the briefing paper, that would give us a reasonable understanding of what we may or may not be able to cover in the meeting.

Thank you in advance for your help with this.

s47F please forward me any thoughts you may have about your views on business conditions in Tasmania at the present time.

s47B

We look forward to this forthcoming meeting and to seeing those of you who are able to attend.

Regards

Dear JCTEC Business Members Group

Thanks so much for replying and indicating your availability for the meeting on 13 March 2019 in Hobart. It will be a great pleasure to meet you in person.

Just to let you know we are currently finalising the arrangements for the meeting and will confirm exactly where it will take place as soon as we can, along with the agenda.

Also advance notice that we will be preparing a brief background paper, with information about current Australian Government initiatives in Tasmania and the current high-level economic stats for Tasmania, to consider before the meeting. We hope to have that for you by the end of this week.

Hi s22

I can confirm that I have booked a meeting room at Treasury for the morning of Wednesday 13 March 2019 and that the Treasurer will attend the meeting to give a short presentation from 9.30 to 10.00 am.

As discussed, I have also attached our comments on the Agenda.

Our plan is to provide the Treasurer with our agenda papers (for agenda items 3 and 5) today and ask that they be approved by tomorrow morning. I can then send you the papers tomorrow afternoon for inclusion in the final agenda pack. Note that the Treasurer's presentation itself won't be included in the agenda papers, rather it will be provided on the day, but there will be some supporting background papers provided for the agenda papers.

I am on leave this Friday, so if you send the final agenda papers out that day can you please cc s47F and s47F? They have been cc'd into this email. If you have anything that needs to be discussed on Friday please call s47F or if all else fails please call me on s47F

The meeting room details for the meeting are:

- "Murray Room" at the Department of Treasury and Finance - 21 Murray Street, Hobart.
- Doors to Treasury open at 8.45 am. I will be waiting in the foyer to escort attendees to the room.
- The room has an overhead projector and I can liaise with you on Tuesday to get the presentations ready to go on the day.
- We will arrange for tea and coffee on arrival and for morning tea to arrive at 10.30am.

Cheers
