This publication was compiled and edited by Joe Motha, Director, Safety Research and Education, ATSB. David Hope and Lisi Bromley of the ATSB were responsible for graphic design and desktop publishing. The publication mainly contains work by the ATSB (including research commissioned by the ATSB) but also draws on the work of other individuals and organisations.

A number of ATSB staff directly and indirectly contributed to the publication. Kym Bills, Executive Director, ATSB and Chris Brooks provided valuable comments. The following staff of the ATSB and Department of Transport and Regional Services (DOTARS) contributed to preparing individual chapters:

Annette Bartlett: 28
Chris Brooks: 13
Chris Brooks and Margaret Smythe: 15
John Collis: 38
Gita Curnow: 4, 6, 7, 19
John Goldsworthy: 25, 35
Joe Motha: 1, 2, 3, 5, 9, 14, 16, 17, 21, 26, 29, 31, 32, 33, 34, 39
Barry O'Neill: 10, 11
Craig Newland and Mark Terrell: 12
Thomas Roberts: 8, 20, 22, 23, 24, 27
Gary Shapcott: 30
Olivia Sherwood: 36, 37
Jim Wylie: 18

Gita Curnow assisted with preparing tables and graphs and provided substantial general support. Statistics for the publication were prepared under the general direction of Jon Henchy. Some preliminary scoping work was carried out by Louise Darcy and Paul Porter provided some research assistance.

The following staff of the Department of Transport and Regional Services (DOTARS) provided input to particular chapters:
Graham Evans, Paul Magarey, Helen McDevitt and Mark Terrell.

Organisations that provided photographs used in this publication included: the Australian Federal Police (ACT Policing), Department of Transport and Regional Services (DOTARS), ITS Australia, Motor Accidents Authority (NSW), NRMA Motoring and Services, Transport Accident Commission (Victoria), VicRoads, and Road Safety Council, Western Australia.
