The Jervis Bay Territory Administration (the Administration) is proposing to increase water and sewerage fees effective 1 July 2011 and you will see the new fees on the bill you receive in October 2011.

In proposing the new fees, the Administration has taken into account a number of factors including the retail prices in the nearby Shoalhaven region and the costs to the Administration in providing water and sewerage services within the Territory.

An example of the new fee structure is:

	<b>2010</b>	<b>2011</b>	<b>Variance (%)</b>
Water Usage Fee (per KL)	\$0.60	\$0.72	20%

At \$0.72 per KL, the new water usage fee in the Territory is lower than the 2010-2011 charges in the Shoalhaven region where residents pay \$1.45 per KL (up to 450KL) and \$1.95 per KL (above 450KL).
