Topic:	Draft Water and Wastewater Services Fees Determination 2018-19 (Jervis Bay Territory)		

The Australian Government facilitates the provision of water and wastewater services in the Jervis Bay Territory (JBT) and is proposing amended water and wastewater services fees effective from 1 July 2018.

A number of factors are considered when developing annual water and wastewater fees for the JBT, including the current pricing of water and wastewater services in the adjacent Shoalhaven region.

Proposed 2018-19 fees are set out in the draft *Water and Wastewater Services Fees Determination 2018-19 (Jervis Bay Territory)* (the draft Determination), which is available:

- in hardcopy, on request from the JBT Administration (telephone 02 4442 1217);
- on the Department's website at http://regional.gov.au/territories/jervis_bay/community/bulletins/bulletins-2018/bulletin-2018-01.aspx; and
- by email from jbt@infrastructure.gov.au.

Tables comparing the current fees to the proposed fees can be found overleaf.

If you would like to comment on the draft determination, please forward this in writing to the JBT Administration at the address in the footer of this page or by email to jbt@infrastructure.gov.au before noon on Monday, 12 February 2017.
