Topic:	Electricity fees in the Jervis Bay Territory		

The Jervis Bay Territory Administration (JBTA) facilitates provision of electricity supply in the Jervis Bay Territory (JBT). A review of electricity supply fees is undertaken annually.

Following a review in late 2019, JBT residents were consulted in March about proposed updated electricity fees for the JBT, scheduled to take effect from 1 April 2020.

Given the current COVID-19 situation, implementation of the proposed updated electricity fees **will not** occur as originally scheduled.

The current fee arrangements as set out in the *Electricity Supply Fees Determination 2019 (Jervis Bay Territory)* will continue to apply in the JBT until further notice.
