---

Disruptions to the Department of Infrastructure, Transport, Regional Development and Communications network are impacting external email access for Jervis Bay Territory Administration (JBTA) Office staff.

If you have contacted the [jbt@infrastructure.gov.au](mailto:jbt@infrastructure.gov.au) inbox since Friday 15 January, your email may not have been received.

Engineers are working to resolve disruptions to the network. In the meantime if you need to contact the JBTA Office, you are encouraged to call the JBTA shopfront directly on (02) 4442 2200.

We apologise for any inconvenience this has caused.
