What is good for you?

2. You have a disability. You use public transport.

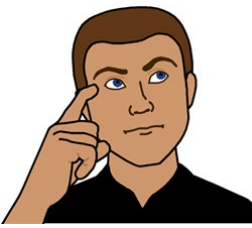

What needs to be better for you?

Read **Public transport for people with disability. Ideas for Change.**

It will help you tell us what you think.

There are 16 ideas for change.

1	_____
2	_____
3	_____
4	_____

3. Read each idea.

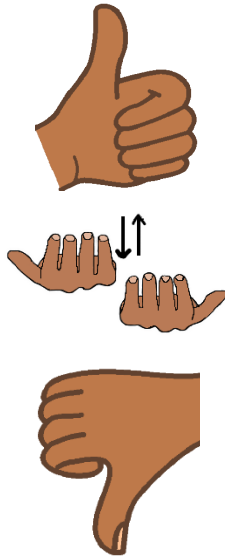

Think about each idea for change.

What steps do we need to make each idea happen?

4. Do you have more ideas for change?

5. We plan to do changes.

What will this mean for you?

Will it make your use of public transport

- good
- the same

Like a new wheelchair to lock in to the bus.
