Kawasaki Motors Pty Limited response to “Vehicle Emissions” Discussion Paper.

Dear Vehicle Emissions Working Group,

As the Australian distributor of Kawasaki motorcycles in Australia and members of the Federal Chamber of Automotive Industry (FCAI), our company has been actively following and participating in FCAI discussions on the Vehicle Emissions Discussion Paper.

Additionally, our representatives have attended the FCAI Vehicle Emissions Member Briefing sessions and are abreast with the key policies and positions of the FCAI.

Please consider this letter as our company’s official response to the Vehicle Emissions Working Group’s “Vehicle Emissions” Discussion Paper.

Our company fully supports the FCAI’s response.

Kind regards,

Peter Spindlow
National Technical Services Department Manager
Kawasaki Motors Pty Limited.
