FCA company response to "Vehicle emissions standards for cleaner air" Draft
Regulatory Impact Statement

Dear Vehicle Emissions Working Group,

As the Australian supplier of FCA branded vehicles, with our subsidiary brand
FCA Australia being members of the Federal Chamber of Automotive Industry
(FCAI), our company has been actively following and participating in FCAI
discussions on the "Vehicle emissions standards for cleaner air" Draft
Regulatory Impact Statement.

Additionally, our Australian representatives have attended all FCAI vehicle
emissions member briefing sessions as well the Stakeholder Forum on
Vehicle Emissions and are abreast with the key policies and positions of the
FCAI.

Please consider this letter as our company's official response to the "Vehicle
emissions standards for cleaner air" Draft Regulatory Impact Statement.
Our company fully supports the FCAI's response.

Kind regards,

Name: Don Guo
