Guide Dogs NSW/ACT

Submission for the five-year review of the Disability Standards for Accessible Public Transport

About Guide Dogs NSW/ACT

Guide Dogs NSW/ACT is the leading provider of orientation and mobility services to people with vision impairment in New South Wales and ACT. We provide training with mobility aids including canes, guide dogs, and electronic devices. We also teach people to maximise the use of their remaining vision. Additionally, we work with government departments, transport authorities and private businesses on ways to improve facilities for people with vision impairment. All of our services and aids are provided free of charge.

Contact details

Submission

Representatives from Guide Dogs NSW/ACT have been consulting with representatives of other agencies (including Blind Citizens Australia NSW, Association of Blind Citizens NSW and Vision Australia) to put together a submission for the review, under the umbrella group Interagency Access Forum (Vision Impairment). Please refer to the submission of the Interagency Access Forum, as this includes all of the issues that Guide Dogs NSW/ACT would like to raise for the review.
